Piedmont Club 14675 Piedmont Vista Drive, Haymarket, VA 20169

Continuing to Honor the Diversity of Golf Pioneers in the Spirit of Friendship

OLD DOMINION FOUNDATION, INCORPORATED

Old Dominion Foundation, Incorporated was established in 1991 to support, enhance and expand the programs and endeavors set forth in the Northern Virginia community. Old Dominion Foundation exclusively supports education, cultural activities and charitable endeavors to underserved communities. The vision to form this foundation was led by the late Willa Rawls Dumas and DyAnne Horner Little. During the formation, the organizers envisioned funding to provide opportunities for small tutorial groups, promote cultural awareness in families and financial support to college students.

MENTORING THE FUTURE

Through the mentoring program, students received educational supplies which increased academic performance. Participants in the mentoring program received 1:1 reading comprehension techniques and basic mathematical functions from retired educators, developed recreational activities and preventive discussions involving drugs and gangs. The children received nutritious snacks during these sessions.

HELPING STUDENTS WITH COLLEGE FUNDING

Old Dominion Foundation has awarded thousands of dollars in scholarships to high school and college students since 1991. With increased educational costs and an increase in first generation college enrollment, Old Dominion Foundation grants deserving students the opportunity for a better tomorrow. Scholarship recipients are selected and awards are distributed based on demonstrated academic achievement, financial need and community involvement.

PROMOTING A HEALTHY NATION

The Health and Wellness project helps combat problems in the service area. Most of the activities of the project fall into three main areas: (1) health and wellness services for youth; (2) preventive presentations for the elderly; (3) education on prominent diseases that affect the minority population such as diabetes and hypertension.

Greetings on behalf of the members of the Old Dominion Foundation, Incorporated (ODF), and welcome to our 16th Annual Golf Tournament at the dynamic Piedmont Club in Haymarket, Virginia. Since 2004, Old Dominion Foundation, Incorporated, has hosted an annual golf tournament with proceeds going toward awarding academic and merit-based scholarships

to graduating high school seniors in Prince William

County, Virginia. We are excited about hosting this year's tournament at Piedmont Club. This course, designed by renowned architect Tom Fazio, is a true Fazio classic, with its generous fairways and medium sized subtle greens. Golfers at all levels will enjoy this breathtaking experience.

Our theme this year is "Continuing to Honor the Diversity of Golf Pioneers in the Spirit of Friendship." We will recognize those unsung trailblazers who endured social, cultural, and political challenges that created opportunities for all persons to participate in the sport of golf.

ODF was founded October 1991 as a charitable organization in Prince William County by DyAnne Horner Little and the late Willa Rawls Dumas. For nearly 28 years, funds have been raised for scholarships for college bound students. We also support initiatives in the areas of the arts, national and international trends, health and human services, services to youth and provide financial assistance to organizations and agencies whose mission aligns with the Foundation's charitable purpose.

I would like to thank the committee members who led the charge and those that followed their lead. You have planned an extraordinary day for our golfers, non-golfers, family, friends and members. The day promises to be a truly enjoyable and memorable occasion.

Thank you to all the sponsors, golfers, non-golfers, vendors, gift donors, volunteers, ODF members and especially our family and friends who continue to support our efforts. We greatly appreciate your support and we want you to know how important your commitment is to the overall success of this event. Please accept our heartfelt thanks for your generosity, continued support and participation.

Once again, welcome to all and enjoy the day!

Sincerely,

Allison Blow

Chairman, Old Dominion Foundation, Incorporated

Dear Family and Friends,

As co-chairs of the 16th Annual Old Dominion Foundation, Incorporated Golf Tournament, we welcome you to Piedmont Club in Haymarket, VA. Thank you to the staff of this premier golf and banquet facility for hosting our tournament. Though this year's tournament is at a different venue, Piedmont Club provides the same breathtaking experience for both golfers and non-golfers that we have grown accustomed to for the past two years. This 18-hole championship course is classic Tom Fazio, with generous fairways and medium sized greens. A panoramic view of the course is what you will see when you step out on the veranda.

Our theme this year is "Continuing to Honor the Diversity of Golf Pioneers in the Spirit of Friendship." Through the recognition and honoring of the unsung heroes and heroines who diversified the sport, we celebrate their commitment and determination.

This fundraising event is a success by virtue of the hard work of sub-committees, participation of Foundation members, support of our alumnae, and the extraordinary generosity of our sponsors, families, and friends. It is because of your generosity that we realize a measurable impact in Prince William County and continue our commitment to provide scholarships to deserving high school graduates heading off to college. They are truly our future.

Today promises to be filled with fun and friendship. Take advantage of everything that we are offering. ENJOY!

Warmest regards,

Sharon Monde and Karena Tarrant 2019 Golf Tournament Co-Chairmen

Jacqueline Hubbard In June the Prince William County Public Schools named Old Dominion (VA) Chapter a **Financial Secretary** "2019 Business Partner of the Year" for our work with Minnieville Elementary School in Woodbridge, Virginia. Once again, your support helped us achieve this. Tonita M. Guydon **Assistant Treasurer** Old Dominion's community service takes many forms: from taking the students on field trips to Venita A. Hawkins enhance the shared learning in our 'Saturday Academies', to; attending the HBCU College Fair Parliamentarian because we think that being a 5th grader is not too early to start learning about college and; visiting the STEM Forum at Nysmith School for The Gifted, Herndon, Virginia. We are pleased to Sargent-at-Arms share this year we have awarded nine college scholarships to extraordinary students, an increase of four awards over last year. We were excited to invite them and their parents to lunch with us Ingrid Parris-Hicklin in May. School starts this month and we'll keep them in prayer. These are but a few of our Chaplain activities and your support is greatly appreciated. **Beverly Patterson Pollard**

So as we gather today with new golfers and returning golfers, we wish you a great day of good times as you meet new friends, reunion with others and support our commitment to community service in Prince William County Virginia.

Dear Friends of the Old Dominion Foundation,

I am honored to welcome you to the 16th Annual Golf Tournament at Dominion Valley Country Club sponsored by the Old Dominion Foundation, Incorporated.

Established in 1991, the Old Dominion Foundation has contributed greatly not only to the Greater Prince William community, but the world at large. The efforts of the Old Dominion Foundation, especially the Links Chapter, have certainly honored and encouraged the essence of this year's theme. Through the spirit of friendship, you have worked to recognize and assist our diverse community in many ways. Since its founding, the Foundation has organized countless scholarship and charitable drives to assist with relief services supporting children, programs to support prevention of domestic violence against women and children, and sponsored various youth programs and scholarship initiatives.

I thank the Old Dominion Foundation for its commitment to the betterment of our community and our world for the past 28 years. Please accept my best wishes for a fun and successful golf tournament.

Sincerely,

Greetings:

It gives me immense pleasure to extend congratulations and greetings to all who are playing in and supporting the Old Dominion Foundation, Incorporated 16th Annual Golf Tournament. The tournament helps support the Foundation's scholarship fund and community service, which means that your participation helps countless others in the community and is an important investment in the future.

I am well aware of the numerous contributions you have made to our school system and to me personally.

The many good works that the Old Dominion (VA) Chapter members do, both individually and as a group, for youth, young adults, and families in need is inspiring. I commend Chapter members on their commitment to changing lives and inspiring dreams; you help to make a better community for us all.

Thank you to the following businesses and organizations for generously underwriting episodes of Ingrid's World Television Show!

I need your help! Consider underwriting an episode of Ingrid's World. All underwriting support is tax deductible because all funds are payable to Fairfax Public Access (FPA) which is a 501c3. FPA will provide the underwriter with a letter confirming receipt of the donation and a copy of FPA's IRS letter for tax deduction. While similar to a donation, underwriting differs from a donation in that the underwriters can be thanked on-air at the end of the program and listed in the show's credits. I will be glad to discuss how easy it is to underwrite an episode. Contact: Ingrid Parris-Hicklin (703)314-9744 or at Ingridsworld.org.

Although the landmark case Brown v. Board of Education outlawed segregated schooling in 1954, many Virginia politicians pushed back against the decision with a program of Massive Resistance that led to school closings in some jurisdictions. Amid this volatile context, Fitzgerald and three other African-American teachers, known as the "Courageous Four," were selected in 1965 to pioneer desegregation in Prince William. They were transferred from all-black schools to teach at white schools and thus helped accomplish the school system's complete desegregation by September 1966. When asked about this time, Fitzgerald replied, "Children are children. It doesn't matter what color they are." In addition to serving as a fourth-grade teacher and a learning disabilities specialist, she was also a supervisor for both integration and special needs programs. In 2008, a Dale City elementary school was named in her honor.
