

OLD DOMINION FOUNDATION, INCORPORATED

Old Dominion Foundation, Incorporated was established in 1991 to support, enhance and expand the programs and endeavors set forth in the Northern Virginia community. Old Dominion Foundation exclusively supports education, cultural activities and charitable endeavors to underserved communities. The vision to form this foundation was led by Willa Rawls Dumas and DyAnne Horner Little. During the formation, the organizers envisioned funding to provide opportunities for small tutorial groups, promote cultural awareness in families and financial support to college students.

MENTORING THE FUTURE

Through the mentoring program, students received educational supplies which increased academic performance. Participants in the mentoring program received 1:1 reading comprehension techniques and basic mathematical functions from retired educators, developed recreational activities and preventive discussion involving drugs and gangs. The children received nutritious snacks during these sessions.

HELPING STUDENTS WITH COLLEGE FUNDING

Old Dominion Foundation has awarded thousands of dollars in scholarships to high school and college students since 1991. With increased educational costs and an increase in first generation college enrollment, Old Dominion Foundation grants deserving students the opportunity for a better tomorrow. Scholarship recipients are selected and awards are distributed based on demonstrated academic achievement, financial need and community involvement.

PROMOTING A HEALTHY NATION

The Health and Wellness project helps combat problems in the service area. Most of the activities of the project fall into three main areas: (1) health and wellness services for youth; (2) preventive presentations for the elderly; (3) education on prominent diseases that affect the minority population such as diabetes and hypertension.

Dear family and friends,

On behalf of Old Dominion Foundation, Incorporated I am delighted to welcome you to our 17th Annual Golf Tournament at the amazing Piedmont Club in Haymarket, Virginia. Today's tournament promises to be a wonderful event for all. In addition to golfing, there are fun activities for the non-golfers, shopping with our vendors, and ample opportunities to relax and socialize.

We want to welcome those of you who are joining us for the first time and hope that you will join us again next year. We also want to thank those who have supported us through the years since our first tournament in 2004. We appreciate your continued support as we work to ensure that educational, charitable, and cultural initiatives in our community are sustained.

For over 30 years, ODF has served as a philanthropic organization providing support for educational, charitable, and cultural endeavors in Prince William County, Virginia. Each year, ODF conducts fundraisers in partnership with the Old Dominion (VA) Chapter of The Links, Incorporated (ODC) which help support the programs and initiatives of ODC such as helping families experiencing food insecurity, creating masks during the COVID-19 pandemic, providing anti-bullying training and STEM-focused programming to students, and providing scholarship funding for college-

This golf tournament is our signature event. Thanks to all of you who have contributed to make this tournament extraordinary, including the Golf Co-Chairs and Committee, members of Old Dominion Foundation, Incorporation, corporate and community sponsors, vendors, souvenir journal advertisers, and all the participants. Without you, none of this would be possible.

We look forward to continuing these partnerships and funding efforts to better the lives of Prince William County students and families for decades to come.

Sincerely,

Carlotta Beens, PhD

Foundation, Incorporated (ODF) and the Golf Tournament Committee, Welcome to the 17th Annual (ODF) Golf Tournament, at Piedmont Golf Club in Haymarket, Virginia.

This year's theme, "Embracing the Diversity of Golf," is especially fitting in light of recent Supreme Court rulings which seek to eliminate the constitutional protections that have long afforded people of color a place and a presence in private spaces like the golf course. Today, we choose to highlight minority golfers who, despite being denied access and admission to many golf courses, still won tournaments, and achieved many successes, which helped to open the game of Golf, to players previously underrepresented by race and gender.

We hope our guest golfers will enjoy a great round of golf, on one of Northern Virginia's top championship golf courses. We have planned an equally fun and enjoyable afternoon for our guest non golfers, attending our Day Par-Tee which includes line dancing, a fashion show, fellowship, and a little bit of golf fun too!!!

We are truly grateful for the dedication and commitment of the ODF Golf Committees and especially appreciate the countless hours members spent planning the success of this annual Golf fundraiser.

We thank you, our guests, for your generous support, and we look forward to our continuing partnerships in future endeavors, to support educational, charitable, cultural programs and scholarships awards to deserving youth in Prince William County, Virginia.

Enjoy your day!

Warmest Regards,

Jaquis Rosier Gaskins and Melanie Grant Jones
